#### **2. Updates:**

- Law Enforcement and Substance Use Organization Sector Member Interest:
  - Kym met the Sag Harbor SRO Kelly Anderson and she is interested in being part of the coalition. Alana will meet with her next week to share more information on the coalition.
  - Samantha Morales from THRIVE Recovery center is interested in the coalition as well to be in the substance use organization sector.
- Tobacco Action Coalition:
  - Alana met with Paulette from the Tobacco Action Coalition to get caught up on previous plans for signage.
  - Paulette will be at the next meeting to talk more about the versions of signage.
  - SAFE has the funds to pay for signs.
  - We would like to follow up on policy in the village and in parks. -
    - Update: Karin says we have approval
  - Georgianna suggested putting a QR code on the signs to lead viewers to the SAFE website for a static page with more information.
- CADCA:
  - Kym and Alana went to CADCA last week. They met with New York legislators/ teams and advocated for policies. Alana can send more information on the specific details.
  - Alana enjoyed the workshop “Harm Reduction and Increasing Access to Narcan”
    - HUGS received funds to be the Narcan provider in Suffolk County. Staff will be trained so we can provide training. SAFE can absolutely be involved in this.
- Harborfrost:
  - Kelly, Cheryl, and Alana attended

**Our Mission:** To engage our community to reduce drug, alcohol and other high risk behaviors by our youth by implementing environmental changes and encouraging healthy alternative choices using evidence-based strategies.

- They reported the event going really well. There was a constant flow of people at the table. Lots of interest was seen with elementary parents.
  - Donations were received
  - Press in the newspaper was great. Our photo was shared in the community section and the website was shared. “Dedicated to the Cause”
  - Sticker Shock:
    - Karin reported the event was a success.
    - Graphics were great- football themed with same messaging as stickers in the past
    - Many businesses took the flyers and information
    - Bottle hang tags came in so Alana will go back to the businesses to put them in businesses
    - Georgianna suggested providing businesses with marketed napkins
  - Partners In Prevention:
    - Social media campaign from March to May (ends National Prevention Fact Week)
- 3. Open Gym:**
- Will start in March
  - The school wants new information with the COI so it has been a challenge
  - Alana has flier ready to go
    - March: Basketball Minute to Win It Games
    - April: Glow Night with Southampton Youth Bureau
    - May: Among Us game night with Southampton Youth Bureau
    - June: Lawn games and dodgeball “Dodge Drugs”
- 4. STOP Act Grant:**
- Due March 3rd - Federal grant of \$60,000 a year for 4 years
  - Can be used for alcohol only
    - Deacon and Alana spoke about using the money in Southampton/Noyac/North Sea for a wider scale of impact
    - Deacon has seen coalitions work with insurance agencies of renters, open air venues, etc. to drive home risks and liabilities of not complying to the Social Host Law and being permissive of letting minors consume alcohol.
    - Open air venues
      - Public use of alcohol at open air events
      - Challenges with enforcement at open air events
    - Vacation Rentals:
      - no renting to under 21
      - not for parties, underage drinking prohibited

**Our Mission:** To engage our community to reduce drug, alcohol and other high risk behaviors by our youth by implementing environmental changes and encouraging healthy alternative choices using evidence-based strategies.

- checklist that went to insurance agents - rental venues and rental homes/homeowners insurance - best practices, things that increase exposure to risk
- Reinforce, usage, policies, etc on vacation properties
  - Summer renters, Families who rent houses for the weekend for their kids
- Open Container Policies at public events
  - Advertising
- Single serve bottles of alcohol at cash registers
  - Product placement and physical design
- Information can be provided to insurance agencies through brochures, signage, TIPS trainings
- Rebecca's past idea of working with renters to get rid of medications/ distributing Deterra in their houses can be tied to this mission using the rest of DFC money.
- Group can bring ideas to the Chamber such as ID stations, wristbands
- Karin asked if a TIPS alcohol training can happen before May 1st
  - Alana can re-up her training and facilitate this or Pam can as well

#### 5. SAFE Boating Campaign:

- Must follow SPF and 7 Strategies for Change – We will provide information, provide support for employees, and work to change physical design by increasing signage at marinas and wherever boats dock - offering information about safe boating.
  - **Problem/Goal Addressed:** Underage Drinking
  - **Risk Factor:** Community Norms; Access to Alcohol
  - **Local Condition:** Adults are drinking in high risk situations i.e. boating, over intoxication
- Qs:
  - Strategy: Provide Information:
  - Strategy: Provide Support
  - Strategy: Physical Design: What kind of messaging already exists at marinas about sober boating? Can we collaborate with marinas to apply nice signage around, similar to metal/permanent signs in public places about alcohol/smoking, etc.?
- Resources:
  - [Environmental Strategies Worksheet](#)
  - [Environmental Strategies Examples](#)
  - [Intervention Mapping Worksheet](#)
- National Safe Boating Week is May 20-26, 2023
  - Official toolkit can be combined with Sober Skipper Campaign
  - Toolkit: [click here](#) for the toolkit

**Our Mission:** To engage our community to reduce drug, alcohol and other high risk behaviors by our youth by implementing environmental changes and encouraging healthy alternative choices using evidence-based strategies.

- Giveaways and literature have been provided in the past
- Safe boating information can be shared on our website
- Past Collaborators: Breakwater Yacht Club, Redwood Anchorage, Ship Ashore, Sag Harbor Dock Master, Yacht Yard, Bait and Tackle Store, Tom Gardella
- Kelly said she can reach out to Breakwater
- Karin suggested getting youth involved in these efforts by having a graphic design challenge

## 6. Sustainability

- There is no official TIPS training for cannabis/"Budtender" training
  - Deacon suggested taking the training and make our own to deliver in Southampton
  - Can we work with insurance companies for renters to offer an incentive to take the training (similar to DMV and defensive driving course)
  - SAFE to sustain itself by offering trainings and education to the community, working with local businesses
- PTA Fundraising
  - Karin raised concerns about PTA fundraisers having alcohol and gambling.
  - Can we change messaging/ shift the focus to showing our children that parents are having fun without alcohol and gambling?
  - It was suggested that we talk to the PTA to provide information and how they can change how they talk about alcohol at these events.
  - LI Problem Gambling Resource Center is a great resource to share information and ways to shift language on gambling.
  - Georgianna suggested using resources from NYPGRC and NY PTA to create resources providing alternatives for gambling fundraisers and messaging. They can be used to guide training on this topic.

## 7. Open Floor

- Creating more SAFE family- friendly events with prevention messaging/ modeling behavior
  - Game nights (UNO tournament)
  - Trivia nights
  - Cooking nights
